Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Ora Buckridge)

HUMAN RESOURCE PLANNING (THIRD EDITION)

Excel Books, 2012. Softcover. Book Condition: New. 3rd edition. Human Resource Planning (HRP) has emerged as a globally popular issue, especially after the increased manpower redundancy throughout the world. Actually, manpower redundancy has become so common that it is no more catching the attention of media; India is no exception to this. Many management institutions and universities, in India, have now included HRP as a core paper for their MBA curriculum. However, we lack adequate literature in HRP ? specific to Indian situations. Apart from this, corporate practitioners also like to gain insight into the nitty-gritty of HRP. The present book aims to fulfil the need for MBA course on HRP. It can also be used by corporate practitioners as a reference manual. The third revised and enlarged edition has been thoroughly changed and enriched with new contents, almost in every chapter. Additionally, in this edition, each chapter starts with a case or opening vignette, and also ends with a case study. I am quite sure this book will be able to position itself among the high-quality books on human resource planning. It may be preferred over others for its student-friendly approach, quality inputs, industry examples, case studies and pedagogy. In this era of widespread redundancy and downsizing, this book is dedicated to those who are and who will be at the helm of decision making about manpower redundancy. Because of its balanced academic and professional bent, it serves the dual purpose of learning and practice. Contents Include: | HRM Concept and Process of Development | Human Resource Policies and Strategies | Strategic Human Resource Planning | Human Resource Planning | Human Resource Planning Process | Productivity, Technology and HRP | Job Analysis, Job Description and Job Evaluation | HRP, Recruitment, Selection and Induction | Career Planning, Development and Succession...
