iUniverse. Paperback. Book Condition: New. Paperback. 108 pages. Dimensions: 9.1in. x 6.1in. x 0.3in. A plethora of childrens wit and wisdom as told through their daily lives with a childcare teacher. All are conversations she heard during her eleven years of working in preschool center. T he insight and humor of the children is revealed quite cleverly. The authors love for children comes through strongly as you read the collection. This is a one of a kind work, very unique and sometimes hilarious. Also contains many craft ideas and helpful hints for preschool teachers andor parents. Working with children is the most rewarding thing I have ever done. These years have been a very educational experience. If I planted one seed along the way, I feel I have done my part. The title, Litl Bit, was a nickname from years ago. One day I couldnt reach something on a shelf, and I said, Im not big enough. My husband replied, Oh, youre such a little bit, and the name stuck. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
