Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

LIFE.LOVE.BEAUTY

St. Martin's Press February 2015, 2015. Hardcover. Book Condition: New. 'This book takes you on a photographic voyage through my life so far.' -Keegan Allen Keegan Allen is currently known to fans of the ABC Family hit television series, 'Pretty Little Liars.' He has also appeared in numerous independent films and made his New York Stage debut in the acclaimed MCC production of 'Small Engine Repair.' Keegan was given his first camera at age nine, and began a lifelong study and pursuit of photography. 'life.love.beauty' is a selection of photographs taken since his childhood. It's a photo journey through the life of an intensely creative soul whose expression finds various forms: in acting, in poems and stories, lyrics and music, but above all in photography. This book's content resonates in the commonality we all share on our own journeys while unveiling an inside look into a world that very few experience. Organized into three broad groups--life, love, and beauty--the book ranges over the public and private side of Keegan Allen and his world. A child of Hollywood, whose father was also an actor and his mother a painter, Keegan roams freely through that realm, photographing his fellow actors on set, behind the scenes; and recording the amazed, gleeful, sometimes weeping fans that flock to his television and career related events. Allen also has an eye for the anonymous and the unexpected: the woman gazing dreamily from the balcony of a run-down hotel; the rifle-toting dog walker who seems to have emerged from the 19th century; the performers and denizens of Venice Beach and also the streets of New York, some of them chasing the dream of fame, others having long-since abandoned it; the little boy amid in the crowd in an enormous airport; portraits of lovers kissing on subways, in parks, and on the...
