It doesn't matter which sport. There are obstacles to overcome. **It Takes More Than Film: A Guide to Collegiate Recruiting** helps you navigate through the NCAA process and its requirements; offers suggestions to effectively market the athlete to a potential collegiate coach; and be more deliberate and realistic in your college search. As a high school coach/mentor and parent of a collegiate athlete, Wilson has seen firsthand how proper planning and execution can help an athlete achieve his or her dream of playing collegiate ball as a partial or full scholarship athlete. With the rising cost of secondary education, acquiring financial assistance is essential to the parent and athlete. Based on his personal experiences, as well as input from current and former collegiate coaches and athletes, Wilson shares some strategies, statistics, ideas, plans, and words of encouragement to help the athlete achieve his or her end goal: an athletic scholarship. The question becomes: How bad do you want it? For more information and speaking engagements contact Coach Wilson at.
