Brand New Book ***** Print on Demand *****.What is more important, a college degree that says you are qualified to do what you do, or being who you were created and designed to be? Mankind is once again on the verge of taking control from God with all their rules and requirements - the Church (the ekklesia) has turned pastors, preachers, teachers, and leaders into modern-day Pharisees and Sadducees. Our modern day leaders have forgotten that the call of God, and the power of God s Spirit, is what makes a person great, not a college degree. This letter is to everyone who desires to be part of that elite group who dares to answer the call to a special purpose - to understand godly principles, the importance of knowing one s God-given purpose, and the authority provided to fulfill that purpose.
