

The Resilient Clinician

By Robert J. Wicks

Oxford University Press Inc. Hardback. Book Condition: new. BRAND NEW, The Resilient Clinician, Robert J. Wicks, Author of several acclaimed books and expert in the field of secondary stress, psychologist Robert Wicks addresses the experience of the mental health professional and raises awareness of the insidious, almost silent psychological defenses of denial and avoidance in the life of the clinician. A concise guide to preventing and limiting acute and chronic secondary stress, The Resilient Clinician offers an overview of mindfulness and meditation as it applies to the clinician's own life rather than that of the client or patient, and describes how to develop a personally designed self-care protocol. This immensely readable book also includes one of the most current selective bibliographies of relevant research and clinical and theoretical publications in the subject area, from common stressors and vicarious post-traumatic stress disorders to burnout and compassion fatigue. Informed by positive psychology and infused with compassion and wisdom, this book will help clinicians remain challenged, maintain perspective, and be inspired both professionally and personally.

Reviews

This publication can be really worth a go through, and a lot better than other. It is actually written in straightforward words and phrases instead of confusing. I discovered this pdf from my dad and I suggested this publication to learn.

-- Jackeline Rippin

A high quality book and also the font employed was intriguing to read. I was able to comprehend every thing out of this created e book. You won't really feel monotony at whenever you want of the time (that's what catalogues are for concerning should you check with me).
