Not illustrated. 1922 Excerpt: .5 says: This act shall be known and cited as the act to protect the public from misrepresentation, imposition and fraud of advertising doctors. This bill, in the opinion of some attorneys who have examined it, is so involved and ambiguous in its wording as to be impossible of enforcement and hence would not accomplish the end desired. Any doctor making false claims or false statements or false representations in any kind of advertisement can now be fully punished under Section 654 A. If the advocates of this bill will pass a plainly-worded and simple bill requiring all doctors who advertise to indicate what kind of doctors they are, eliminating the school provision and eliminating Section 5, I will gladly sign it. For those reasons I am compelled to return herewith Senate Bill No. 331 to you without my approval.
