An Introduction to Investments

By Herbert B. Mayo

South Western / Cengage Learning India, 2009. Softcover. Book Condition: New. First edition. These students cannot cope with (or be expected to cope with) the material in advanced textbooks on investments. An Introduction to Investments is directed at these students and covers investments from descriptive material to the theory of portfolio construction and efficient markets. This textbook has a variety of features designed to assist the student in the learning process. Chapters include questions and, where appropriate, problems. The questions and problems are straightforward and designed primarily to review the material. Answers to selected problems are provided in Appendix B.
