Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.When European settlers and later American settlers came into contact with Native American tribes on the continent, they were frequently unable to differentiate between the subcultures within individual tribes, leading to all kinds of misunderstandings. As a result, one of the most misunderstood tribes is the Hopi, who were just one of the tribes that the Spanish categorized as Pueblo. Thus, while most Americans have heard of the Pueblo and Navajo, many remain unfamiliar with distinctions within the tribes. The Pueblo fascinated those who came across their settlements, especially those located in desert regions and the sides of cliffs that involved the use of adobe mud, stone, carving homes out of cliffs. One such settlement, Oraibi, was created by the Hopi around 1100 A.D. and remains one of the oldest continuously inhabited settlements in North America. The Spanish were so intrigued by the structure of the communities that they gave the natives the name Pueblo, a term they used to measure certain sizes for their own settlements. Today the names Hopi and Zuni are virtually synonymous with the...
