Saying farewell. Resettling in a new place. These are bittersweet moments for us all. However, moving away from your homeland is beyond difficult. Relocating to another country is one of the hardest things a person can do. Learning another language. Connecting to a new community. Adapting to an unfamiliar culture. Putting down roots can often take years, but this book will guide you through the transition. **10 Things You Need to Know** is designed to offer support during the in-between time, the interval between leaving your home country and when you've adjusted to a new life in the U.S. In the original book, you'll find helpful resources and information about the type of clothes you need, transportation options, visiting an American home, and more! This workbook acts as a supplement by providing checklists and charts to take you step-by-step through each of the sections described in the first book. You don't have to take this huge step alone. Let the knowledge of others remove unnecessary anxiety and make your move easier. Welcome to the U.S.A.!
