Date :2011-09-01 version 1 is said that the South American tropical rain forest a butterfly flapping its wings. it may be caused by the storm in Texas. Similarly. a large consortium of Wall Street can be any action but also a tremendous impact on the Chinese stock market. United States is in deep economic crisis. many people believe that it will fight to get out through the financial crisis. But what means the United States will launch a financial war What is the route along the attack Wall Street really is invincible it China is just bullied the little rabbit Chinese people are robbed of the only stand and can not be profitable Ya-Yun's financial war did not blame the financial responsibility of fighting hand to a mysterious organization or family, but the first major Wall Street investment bank describes the formation of two camps and struggle. Then describes how to manipulate the election of Jewish consortium. will help their agents on the presidency. then a unique perspective to explain the financial crisis since the international political and economic changes. and significant financial events through the past. From the American point of view of interest groups. analysis of future trends in financial markets and the impact on the domestic market. Financial war in simple language that addresses the international sense of humor, the relevance of the domestic market. as well as the reasons for these phenomena. made a lot of original ideas. and gave a number of domestic investors is easy to grasp the financial indicators. tell them as long as heart. not only will not be looted in the financial war....
