Washington Square Press. Paperback. Book Condition: New. Paperback. 312 pages. Dimensions: 8.2in. x 5.3in. x 0.9in. Emma, the irrepressible protagonist from *The Baby Trail*, is back for a whirlwind trip through the upside-down world of international adoption. Emma is back, and still eager to start a family. After trying every fertility treatment in the book, as well as following a slew of advice from her friends, family, and womens magazines, she and her husband have given up on conceiving naturally. Theyre now trying international adoption, which should, in theory, be more pleasant than the fertility shots and postcoital headstands of their baby-making days. However, with the rigorous screening process -- including a Russian class where they learn about their potential babys culture alongside competitive adoptive-parents-to-be and ber-critical case managers -- Emma finds herself once again in over her head. The pressure to prove that she and her husband are the perfect couple, and thus the perfect parents, drives him and all her friends crazy along the way. Hilarious and heartwarming, Emmas outrageous adventures are sure to charm mothers, mothers-to-be, and nearly everyone in between. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
