The said Forest Commissioners shall have the care and custody of all woodlands now owned or controlled or which may be hereafter owned or controlled by the State. They shall cause all such lands to be located and duly recorded, and shall make and publish reasonable rules and regulations for the prevention of trespass upon paid lands, for the prevention and extinguishing of fires thereon, and for the conservation of forest growth. They shall also, so far as possible, promote the gradual extension of the forest area, encourage the planting of trees, and preserve the sources of water supply. They shall attend to the selling of timber and wood from such lands, whenever such selling shall be deemed expedient, and shall make due account of such sales and the proceeds arising therefrom. On or before the 15th day of December in each year, they shall report to the Governor their official action during the preceding year, and such information as may be useful in preserving...
