Managing the Private Spies - Use of Commercial Augmentation for Intelligence Operations (Paperback)

By Joint Military Intelligence College

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The end of the Cold War presented a paradoxical dilemma for the Intelligence Community (IC). The demise of the Soviet Union brought about a significant downsizing of the nation's intelligence apparatus while concurrently necessitating a major reallocation of intelligence resources to cover a more complex array of trans-national threats such as counter-proliferation, terrorism, organized crime, drug trafficking, and ethnopolitical conflict. The combination of shrinking budgets and expanding analytical requirements placed enormous demands on the Community. Among the most pressing challenges was the need for an on-demand, surged intelligence capability for coverage over a diverse range of operational requirements. A key recommendation of a 1996 House Permanent Select Committee investigation of the nation's intelligence capabilities called for the creation of a dynamic surge capacity for crisis response. The Committee concluded that such resources need not be self-contained within the IC, but must be quickly marshaled without undue concerns about who owns the assets. Several other independent reform studies at the time proposed initiatives to satisfy surged collection demands by leveraging nongovernmental resources. Despite these recommendations, during the...
