Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Arcadia Publishing (SC), United States, 2006. Paperback. Book Condition: New. 229 x 165 mm. Language: English . Brand New Book. Often referred to as the West Point of the Midwest because of its majestic red brick buildings and lush tree-lined landscape, Fort Des Moines shaped American history from its inception. Originally located at the fork of the Raccoon and Des Moines Rivers, Fort Des Moines relocated four miles south of the city and began to assume its revolutionary place in military history. By 1909, it was the largest cavalry post in the country, and Pres. William H. Taft chose it as the site of his Great Tournament of cavalry units. In 1917, for the first time in American history, African American officers received commissions at Fort Des Moines. Future president Ronald Reagan perfected his equestrian skills on its vast parade ground. The legacy of the cavalry lingered when, in 1942, the fort served as the first training center for the Women s Army Auxiliary Corps, and many female recruits found themselves sleeping in cavalry stables converted into barracks.
