Brand New Book ***** Print on Demand *****.Turkey has long been considered a strategic U.S. and NATO ally. That it combines a predominantly Muslim identity with a secular democratic government has added to Turkey's significance to the United States since September 11, 2001. Turkish domestic and foreign policy issues concern U.S. policymakers, who would like a stable, competent, friendly government in Ankara. Since 1999, a coalition of three parties of mismatched ideological preferences has presided over unprecedented financial crises and the deepest recession in half a century. On the other hand, the coalition has produced an impressive legislative record of economic and political reforms. Some economic indicators, such as inflation and interest rates, are showing improvement, but Turkey has yet to experience economic recovery. As an election nears, cleavages in the government may become more severe as coalition partners jockey for position. Other contenders are in opposition inside and outside parliament. Islamists may emerge from an election with strong support. Two parties have Islamist roots, but one of these is striving to be known as centrist rather than Islamist, and it leads opinion polls....
