Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Finally a book that teaches both the philosophy and step-by-step instructions for building wealth through the financial planning process. An easy to read and understanding guide to the steps of constructing a financial plan. The author does a masterful job of explaining a complex topic in a way that makes it easy to understand and implement. By comparing a financial plan to a sailboat, readers are able to vision a financial plan that has both defensive and offensive elements.
