

Accounting Finance New 4th Ed (Paperback)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

ACCOUNTING FINANCE NEW 4TH ED (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.ACCOUNTING FINANCE: New 4th Edition Richard Giles The Institute of Commercial Management is the leading professional body for those who want a career in business management. It is a globally recognized and respected organisation dedicated to supporting people in their business, personal and professional development. Finance and Accounting has been completely revised and updated to provide a comprehensive and flexible approach to the study of business accounting. The text is currently used on a number of educational and professional courses including Foundation Degree, The Association of Accounting Technicians and The Institute of Commercial Management. Key features include: A complete coverage of the principles of accounting, incorporating accounting standards both in the UK and International Standards A flexible structure of self contained chapters to make the text easy to use Worked examples throughout to make accounting skills clearer to learn Stepped questions with all answers to build confidence and revise skills Key definitions, terms and equations highlighted for easy reference. Finance Accounting has established itself over a period of 25 years and maybe used in confidence by students studying from a wide variety of disciplines taking this subject.
