

## Blood of the City

By Robin D. Laws

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Luma is a cobblestone druid, a canny fighter and spellcaster who can read the chaos of Magnimar's city streets like a scholar reads books. Together, she and her siblings in the powerful Derexhi family form one of the most infamous and effective mercenary companies in the city, solving problems for the city's wealthy elite. Yet despite being the oldest child, Luma gets little respect perhaps due to her half-elven heritage. When a job gone wrong lands Luma in the fearsome prison called the Hells, it's only the start of Luma's problems. For a new web of bloody power politics is growing in Magnimar, and it may be that those Luma trusts most have become her deadliest enemies!.
