TRANSPORT AND NEIGHBOURHOODS

Black Dog Publishing. Paperback. Book Condition: New. Paperback. 96 pages. Dimensions: 7.3in. x 5.5in. x 0.5in. As the environment becomes more fragile, existing transportation networks are more and more strained. Issues such as food miles and embodied energy in goods and products will become far more significant. Personal carbon quotas are likely to force a re-evaluation of our current lifestyles and single trips will carry greater levels of expectation. Casual long distance travel may be socially decried. Edge Futures are a...

Reviews

It in a single of the best publication. Sure, it is play, continue to an interesting and amazing literature. You will not really feel monotony at whenever you want of your time (that's what catalogues are for about in the event you question me).

-- **Sonia Block I**

This is the greatest pdf i actually have go through right up until now. It is actually packed with knowledge and wisdom I found out this book from my dad and i advised this publication to find out.
