Caillou Learns to Recycle

By Kim Thompson, Eric Sevigny

Editions Chouette. Paperback. Book Condition: new. BRAND NEW, Caillou Learns to Recycle, Kim Thompson, Eric Sevigny, The children at Caillou's day care are curious about the new recycling bin--it has four openings, what are they for? Ms. Martin has an activity planned to demonstrate recycling plastic, glass, metal, and paper. She has some very impressive examples of recycled things to show the children, even a T-shirt made of recycled bottles for the recycling monitor. The book inspires interest in recycling while explaining its importance in a simple and fun way.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who state that there had not been a worth reading. You may like how the author publish this ebook.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
