Patrick Costello, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book, Patrick Costello, a practicing Certified Financial Planner(tm), shows busy investors how to implement a socially responsible and sustainable investment (SRI) strategy. Without spending an inordinate amount of time or becoming an investing expert, everyday investors can align their investing process with their personal ethics and values while earning a competitive return. A Green investor is armed with the knowledge required to sift through financial service propaganda and media noise. She has the skills to select a financial professional who puts...
