Then you refuse to obey me? Absolutely, I returned. I am not a murderer! And with this I lounged off towards an oriel, leaving the Regent of France and Dubois to stare at one another across the wine-stained, card-strewn table. Snow was driving against the windows of the Luxembourg, and a red gush of light, pouring from the great portico out upon the wide, glittering gardens, created a scene of exquisite romance that held me chained, until a shuffling of feet caused me to glance round on my companions, and I saw that Dubois was kindling some fresh candles.
