Book View Cafe, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I gave up sleep so that I could read to the surprising and satisfying ending. I laughed out loud in public in response to the quirky plot twists. *An Unsafe Pair of Hands* by Chris Dolley is a masterful addition to the British mystery genre. -- Barth Siemens Peter Shand is a high-flying police administrator seconded to a quiet rural CID team to gain the operational experience he needs for promotion. On his second day he is thrust into a high-profile murder case. A woman's body is discovered in an old stone circle . with another woman buried alive beneath her. The pressure on Shand is enormous. The media is clamoring for answers, but every lead he chases down makes the case even more baffling. Then a local journalist singles out Shand as the reason for the lack of progress, and goads him at a press conference. Shand responds by inventing a lead, and keeps on lying - to the press and his boss - telling himself he'll solve the case before anyone finds out. And then another murder occurs. And had there been a third? Shand begins to doubt his ability. He is desperate, increasingly unpredictable, and somehow gaining a reputation for arresting livestock. Which will break first? The case, or Shand? Chris Dolley is a New York Times bestselling author. **REVIEWS** This is one of those crime stories that grips one from the opening paragraph, and doesn't let go until the last. I had theories all the way through the book and was confident, going into the denouement, that I had cracked the case just ahead of our detective -...
