

Dealing Death and Drugs: The Big Business of Dope in the U.S. and Mexico

Filesize: 2.69 MB

Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

DEALING DEATH AND DRUGS: THE BIG BUSINESS OF DOPE IN THE U.S. AND MEXICO

Cinco Puntos Press,U.S. Paperback. Book Condition: new. BRAND NEW, Dealing Death and Drugs: The Big Business of Dope in the U.S. and Mexico, Beto O'Rourke, Susie Byrd, The War on Drugs doesn't work. This became obvious to El Paso City Representatives Susie Byrd and Beto O'Rourke when they started to ask questions about why El Paso's sister city Ciudad Juarez has become the deadliest city in the world--8,000-plus deaths since January 1, 2008. Byrd and O'Rourke soon realized American drug use and United States' failed War on Drugs are at the core of problem. In "Dealing Death and Drugs" -- a book written for the general reader -- they explore the costs and consequences of marijuana prohibition. They argue that marijuana prohibition has created a black market so profitable that drug kingpins are billionaires and drug control doesn't stand a chance. Using Juarez as their focus, they describe the business model of drug trafficking and explain why this illicit system has led to the never-ending slaughter of human beings. Their position: the only rational alternative to the War on Drugs is to end to the current prohibition on marijuana. "If Washington won't do anything different, if Mexico City won't do anything different, then it is up to us -- the citizens of the border who understand the futility and tragedy of this current policy first hand -- to lead the way." -- from the Afterword A portion of the proceeds from the sale of "Dealing Death and Drugs" will be donated to Centro Santa Catalina, a faith-based community in Ciudad Juarez, Mexico, founded in 1996 by Dominican Sisters for the spiritual, educational and economic empowerment of economically poor women and for the welfare of their families.
