THE LOST VALLEY (PAPERBACK)

Wildside Press, United States, 2006. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.James Morgan Walsh (1897-1952) was one of Australia s most prolific authors, noted for his mysteries and thrillers. THE LOST VALLEY (1921) is set in Victoria, Australia s Western District. Other books of note include The Man Behind the Curtain (1927) and The League of Missing Men (1927). THE LOST VALLEY I came upon the place quite unexpectedly. Centuries of wind and wave had carved a little nook out of the foot of the cliff and fashioned it so cunningly that I did not see it until I was right on top of it. After the warmth of the open beach and the glare of the white road I had recently travelled its shade looked so inviting that I limped in under the overhang of the cliff and dropped joyfully on to the cool patch of sand. It was the first moment of contentment I had known for many weary months, and, needless to say, I set myself out to make the most of it. I was absolutely sick of tramping about. My left boot had burst and, by the feel of it, there wasn t too much left of my right sole. I had been crawling along the road since daylight-and for many days before for that matter-searching for a job that failed to materialise.
