Filesize: 9.47 MB

Reviews

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, The Writer and the World: Essays, V. S. Naipaul, During forty years of travel, V. S. Naipaul has created a wide-ranging body of work, an exceptional and sustained meditation on our world. Now his finest pieces of reflection and reportage -- many of which have been unavailable for some time -- are collected in one volume. With an abiding faith in modernity balanced by a sense of wonder about the past, Naipaul has explored an astonishing variety of societies and peoples through the prism of his experience. Whether writing about Indian mutinies and despair, Mobutu's mad reign in Zaire, or the New York mayoral elections, he demonstrates time and again that no one has a shrewder intuition of the ways in which the world works. Infused with a deeply felt humanism, *The Writer and the World* attests powerfully not only to Naipaul's status as the great English prose stylist of our time but also to his keen, often prophetic, understanding. 'All [of these essays] are worth reading (and rereading), both for the contemporary and historical information and insight they artfully impart and for what they tell us about a uniquely complex writer' *Spectator* 'How few writers there are, if any, who share his sense of mission and moral authority, who have his willingness to learn and to travel and his miraculous gift of language.' *Observer*.
