B Nai Noach Torah Institute, LLC, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.My wife, Revi and I were traveling up the interstate when all of the sudden we came upon this huge sign. We were informed that we could not get off our normal place of exit. It was closed for repairs. Now we would be forced to follow this detour that went on for miles. We eventually reconnected with the road we would have exited at. Oh relief, no more detour. Road Closed signs and detours can be very frustrating. Then you find out he charges thousands of dollars to do conversions and the conversation will take several years. Now you are steaming. You think, how can this be? All these detours keep popping up! You will understand and...
