THE ADVENTURES OF JONATHAN GULLIBLE: A FREE MARKET ODYSSEY

Liberty Institute/Academic Foundation, 2005. Softcover. Book Condition: New. This Book is fun. It challenges readers to think about why some Countries are rich, while others are poor. It explores alternative thinking about important economic, practical and philosophical matters. The variety of ideas will challenge readers to ponder, question, and engage in meaningful discussions. The laws are recognisable as common to countries throughout the world. As the story unfolds, the part we Play in Political decision-making and personal Responsibility is introduced for discussion. There are many subtle nuances. Sometimes people miss the meaning of a story, so each "parable" is followed by commentaries and relevant background information. These commentaries are meant to provide only the gist of each issue. Books and websites are recommended for...
