GOD IS NOTHINGNESS: AWAKENING TO ABSOLUTE NON-BEING (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Contrary to popular opinion, God is not a Supreme Being, but the exact opposite - Absolute Nothingness. In fact, the entire reason that people suffer is because they are attached to being , and fail to understand that Non-being is the very basis of existence itself. In the immortal words of the Tao Te Ching, All things are born of being; being is born of Nothingness. Nothingness is not barren oblivion, nor the opposite of life and being ; rather, it is the creative, fertile, and boundless principle that serves as the source and ground of beingness itself. Empty and vast, Nothingness is pregnant with limitless potential and fecundity. In theistic terms, Nothingness is God. Rooted in the teachings of the world s greatest sages, such as Lao Tzu, the Buddha, Adi Shankaracarya, Meister Eckhart, and Nisargadatta Maharaj, God is Nothingness explores how Non-being is indeed the root of all existence. Even more valuably, the book reveals how to actually awaken to Nothingness-how to realize God.
