SPEAKING BETTER FRENCH: MORE KEY WORDS AND EXPRESSIONS

Wheatmark. Paperback. Book Condition: New. Paperback. 144 pages. This book, and The Key Words and Expressions which preceded it, have been hailed by reviewers as a unique and innovative idea. They give you the absolutely essential words that you need to navigate everyday French conversation. Not the textbook formal words but the expressions that real people in France use when they talk to each other. You'll learn when to use, and when not to use words and expressions like *truc*, *foutu*, *Oh-la-la*, *Coucou*, *payer en liquide*, and *merde*. You'll learn how to *faire un bise* quelqu'un, how to say you are sorry, what *les grandes surfaces* are, and how to tell someone to shut up. You'll learn what a *goter* is, and an *apritif dnatoire*. You'll find out that *Ce sale chat !* doesn't mean the cat is dirty, that *passer un exam* doesn't mean to pass the exam, and lots, lots more. And it's all written in a conversational style with each word or expression explained and illustrated with examples in French and their translations in English. You'll see why a reviewer of *Key Words and Expressions* on amazon.com said: If you really want to learn spoken French, you need this book. You'll need other books as well, you'll need audio materials, and you'll need live language experience, preferably in France. But this book is a necessity. And why another wrote: Perhaps the most amazing thing about this book is that it took until 2007 for anyone to think of writing it! The author's insight is right on target. This book does indeed fill a huge and inexplicable gap in the otherwise very crowded market for books on learning French. (Come to think of it, I haven't found such books in any of the three foreign languages I've...
