## THE DAYS OF THE PROPHETS: WHAT WE CAN LEARN FROM BIBLICAL PROPHECY (PAPERBACK)

Outskirts Press, United States, 2009. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is not the usual Rapture-Tribulation-Second Coming prophecy book. The biblical prophets do not give you tomorrow s headlines. They had troubles enough in their own time. But they do have a message that speaks to every age, including ours. The Days of the Prophets makes that message accessible. As a reader, you will journey back into the world of the prophets to see the issues they faced and their hopes and fears for the people of Israel and Judah. You will see the outcome of their prophecies in biblical history. You will learn from the prophet Jeremiah that the future is not predetermined by prophecy. The future is open. Readers will get a fresh perspective on how God works in history. From the Four Winds of Heaven you will learn to recognize the rhythms, currents, and cycles of history. You will learn about crisis eras that bring one age to a close and set the stage for a new age, and that end times are really new beginnings. You will find and explore a prophecy by Isaiah that points the way to peace between Israelis and Palestinians. From the Old Testament prophets we move to the words of Jesus. We examine Jesus discourse on the...
