Potomac Books Inc. Paperback. Book Condition: new. BRAND NEW, National Security Dilemmas: Challenges and Opportunities, Colin S. Gray, A contemporary primer on the leading arguments about U.S. national security, this book addresses the major challenges and opportunities that are live-issue areas for American policymakers and strategists today. The author provides an in-depth analysis of a policy and strategy for deterrence; the long-term U.S. bid to transform its armed forces' capabilities, with particular reference to strategic surprise, in the face of many great uncertainties; the difficulty of understanding and exploiting the challenge of revolutionary change in warfare; the problems posed by enemies who fight using irregular methods; and the awesome dilemmas for U.S. policy over the options to wage preventive and pre-emptive warfare. This textbook can be used as an expert guide to the major national security challenges of today. It both explains the structure of these challenges and provides useful answers. It is a comprehensive survey of hot topics in national security policy by a renowned strategist and scholar, including: asymmetric warfare; terrorism; and preventative and pre-emptive war.
